PARK USE PERMIT GENERAL STIPULATIONS

- 1. Non-assignment.** This permit may not be assigned without the written approval and acceptance of the assignee by the director or his/her designee. Furthermore the license shall not sublet or enter into any third party agreements involving the privileges authorized by this permit.
- 2. Non-waiver Provision.** The failure to enforce provisions of this permit or any default on the part of the permittee in observance of requirements of this permit is not a waiver of the forfeiture provision or any other provision of the permit.
- 3. Permanent Structures.** Permanent structures are prohibited from being placed by the permittee on state park lands or waters.
- 4. Personal Property.** If personal property is authorized to be placed or located on park lands or waters under the provisions of this permit, said personal property shall be removed prior to the expiration of the permit or may be impounded by the state.
- 5. Forfeiture.** Permittee shall forfeit the permit if he/she defaults in the performance or observance of any of the permit terms, covenants or stipulations or of a statute or regulation.
- 6. Responsibility for Damage Claims.** The recipient of this permit (permittee) shall indemnify, hold harmless, and defend the Department, its agents and its employees and its employees agree to take all reasonable precautions to prevent, make person or property arising directly or indirectly from permitted activities or the permittee's performance under this permit. However, this provision has no effect if, but only if, the sole proximate cause of injury is the department's negligence.
- 7. Litter Removal.** The licensee shall remove all litter caused by their activities and shall make a reasonable effort to pick up and remove from the park litter which they find in the vicinity of their activities within the park.
- 8. Valid Claims and Applicable Laws.** This permit is subject to all valid claims and applicable laws and regulations.
- 9. Forest Fire Suppression.** The permittee and his/her agents and employees agree to take all reasonable precautions to prevent, make diligent efforts to suppress and report promptly all fires on or endangering state park lands. No material shall be disposed of by burning during closed seasons established by law or regulation without a written permit from the state forester.
- 10. Campfires.** Permittee and his/her agents and employees agree to abide by all state regulations pertaining to campfires.
- 11. Protection of Park Land or Property from Damage.** Permittee shall exercise diligence in protecting from damage to the land, property and resources of the State of Alaska in the area covered by and used in connection with this permit and shall pay the state for any damage resulting from negligence or from the violation of the terms of this permit or any law or regulation applicable to the use of state parks by the permittee or by his/her agents and employees when acting within the scope of their employment or the privilege authorized by this permit.
- 12. Repair of Damage.** Permittee shall fully repair all damage, other than ordinary wear and tear, to state park road and trails caused in the exercise of the privilege authorized by this permit.
- 13. Non-obstruction of Public Use.** Permittee, employees, agents or clients shall not interfere with free public use of roads and trails in the area of their activities except as may be authorized by special stipulations in this permit.
- 14. Geographic Limitation.** This permit is applicable only for the use in areas described.
- 15. Cancellation by the State.** It is expressly understood and agreed that this permit may be revoked at any time at the discretion of the director and his/her designee without compensation to the permittee or liability to the state.
- 16. Selling Prohibited.** It is expressly understood and agreed that this permit does not authorize the permittee to solicit business, advertise, collect any fee or sell any goods or services on state park lands or waters.
- 17. Non-exclusive Authorization.** This permit shall not be constructed as limiting the right of the director and his/her designee to issue similar permits at the request of other persons seeking to conduct the same or similar activities in the area.
- 18. No Preferential Right of Renewal.** No rights of renewal or preferential rights for renewal are attached to this permit.
- 19. Wheeled or Tracked Vehicles.** Activities employing wheeled or tracked vehicles when specifically allowed under the description of activities of the permit or in the special stipulations shall be conducted in such a manner as to minimize surface damage to parklands and resources.
- 20. Activity Area and Campsite Cleanliness.** All activity areas and campsites shall be kept clean and maintained in a work person-like manner.
- 21. Survey Monuments.** Survey monuments, witness corridors, reference monuments, mining claim posts and bearing trees shall be protected against destruction, obliteration or damage. Any damaged or obliterated markers caused by actions of the permittee or his/her agents shall be reestablished in accordance with accepted survey practices of the state.
- 22. Natural Hazards.** The permittee recognizes and understands that natural hazards are likely to exist within the area of his/her operation. The permittee agrees to take all reasonable precautions to make himself/herself aware of these hazards and to avoid injury to persons or property.
- 23. State Inspection of Permit Area.** The state reserves the right to inspect areas of activity under this permit. It is understood, however, that the state will only inspect the site during normal periods of activity by the permittee or at other times that are convenient to the permittee unless in an emergency situation.
- 24. Special Stipulations.** Any special stipulations attached to this permit are a part of this permit.
- 25. Native Claim Selection.** Should this permit fall within the boundaries of a present or future native claim selection are the permit will terminate on the date the selection receives tentative approval for transfer or patent to a native or native corporation.
